Rutgers University Coding Bootcamp

March 2020—Present, Newark, NJ

New York University, College of Arts and Science

May 2019, New York, NY

B.A. in English Literature Minor in Linguistics and Creative Writing

RELATED COURSEWORK

- **Semantics:** Studied analytical and systematized methods of deciphering the meaning of sentences and words as well as key concepts such as truth conditions, presuppositions, and entailments
- Other courses: Phonology, morphology, syntax, and introduction to Natural Language Processing

EXPERIENCE

Hall Service at **Menya Sandaime restaurant**

January 2018, Newport, NJ

- Reported the sales of hall products to the owner so that the products can maintain its quantity
- Cooperated with other hall service employees to divide the sections, labors, and communications to the owner
- Advertised the opening of the restaurant, imminent delivery services, menu updates, operating hours, and hiring availability to an average of 200 diners

Volunteer at **Korea University Doumi Program**

June 2015 ~ August 2015, South Korea

- Planned and guided Korean language exchange students throughout Seoul to facilitate linguistic and cultural learning
- Instructed foreign students to document visits and tours in Seoul
- Assisted language learning by correcting students' writings, explaining colloquial phrases in Chinese, Japanese, and English

Program Director at **VTV Studio**

June 2014 ~ August 2014, South Korea

- Filmed variety of online lectures for middle school and high school students
- Documented secretarial data and editing suggestions for each lecture recording
- Guided helpful improvements for lecture contents to suit student audience

LEADERSHIP

Secretary at **Alpha Phi Delta Fraternity**

September 2014 ~ May 2015 NYU

- Organized and executed events to build relationships with new and existing members
- Updated all members to understand upcoming events, meetings, decision makings, and elections for higher participation and well-incorporated team
- Counseled members who struggle emotionally and interpersonally within the fraternity to alleviate relationship issues among the members
